To Whom It May Concern:

Please accept this letter of recommendation on behalf of Rosemary Fisher and her team at Recycled Women. I had the privilege being both Rosemary's pastor and peer over a period of several years and I assure you, she is the real deal. Her faith in Christ is strong, her theology is solid, her exuberance is contagious, and her encouragement is overwhelming. Her story of God's amazing grace and redemption is a trophy for the Kingdom and needs to be heard far and wide. Her family honors God with their lives and with their choices. They are faithful and active members of the local church and servants of the community and Kingdom.

Like all pastors, I get numerous requests for letters of reference or recommendation. Sometimes, I do them because it is expected, but it is a chore. That is not true of this one. This letter is a labor of love. I enthusiastically encourage you to utilize Rosemary Fisher and the Recycled Women ministry at your event or church. You will not be disappointed and your people will be encouraged in a fresh and exciting way.

If I can answer any specific questions or assist further, feel free to contact me.

Expectantly,
